Life @ Teck Ghee Primary School Visit

For many K2 pupils, the transition from their kindergartens to primary school can be exciting but at the same time challenging for some. Our school is happy to assist you and your child in providing a positive transition experience through our Life @ Teck Ghee Primary programme.

Parents' Visit to Teck Ghee Primary (April to May 2017)

This experience aims to provide you with an overview of a typical day in our school. Parents will have the opportunities to tour the school and be briefed on Primary School Education. Besides a video screening of some exciting lessons, there will also be a transition support talk conducted by our school counsellors.
