Through the Principal

Dear Parents/Guardians,

Assessment for Primary 6

Types	Term 1	Term 2	Term 3	Term 4
AoL	Timed Practice (non-weighted)	Timed Practice (non-weighted)	Prelim (100%)	PSLE (100%)
AfL	Formative			

For students to better enjoy the process of learning and develop dispositions for lifelong learning, our school is creating a balance between Assessment of Learning (AoL) and Assessment for learning (AfL).

Formative assessments are assessments for learning which are carried out to help students achieve the learning goals and for the teacher to adjust teaching and learning activities. They include on-going practices and strategies used in class such as making explicit learning targets, descriptive feedback and self and peer assessments. These are done through worksheets and classroom activities.

We will continue to ensure that there is rigour in what our students learn, and at the same time ensure that there is joy in learning.

Term 1 Timed Practice

The non-weighted timed practices will help our Primary 6 students to familiarise themselves with the demands and rigour at PSLE. It will be held from 29 February to 3 March. Please refer to the timed practice schedule for more information.

Yours sincerely,
Instructional Programme KPs
