

Teck Ghee Primary School

Nurturing 20morrow's Leaders, Today

REF: TGPSPL_2022_36

23 March 2022

Dear Parents/ Guardians,

1. Updates on SMM in School

In line with the national implementation of streamlined COVID-19 Safe Management Measures (SMM), the school will also progressively adjust our school-based SMMs and resume some activities (e.g. school assembly, active recess, in-person CCA) in Term 2. We will brief and prepare the students on the expected socially responsible habits to ensure that activities are carried out in a safe manner.

Some key SMMs that we would like to update and share are as follows:

a) Mask wearing

- Remain mask-on at all times except:
 - i. When participating in specific mask-off activities
 - ii. If there are pertinent medical conditions
 - iii. When eating and drinking
- Minimise talking when eating/drinking

b) Personal hygiene and social responsibilities

- TraceTogether - Students are required to bring TT token/App to school. Please ensure that your child's/ward's TT tokens are working.
- Social Responsibility - Students should be socially responsible. Those who are unwell should stay at home and seek medical treatment if necessary. Students should test ART negative each day if they are on Health Risk Notice (HRN) before entering the school.

c) Staggered Dismissal

- **With effect from 4 April 2022 (Mon)**, the dismissal timings for the respective levels will be as follows:
 - i. P1 – P2 → 1:30 p.m.
 - ii. P3 – P4 → 1:35 p.m.
 - iii. P5 – P6 → 1:40 p.m.

2. Road Safety & Traffic Regulations

The school has observed that the traffic flow along AMK Ave 8 has been slow and congested during the school's dismissal hours as a result of vehicles parking along AMK Ave 8, near Gate B.

Please note that this stretch of road is marked with parallel continuous yellow lines, and no parking is allowed on this side of the road at all times, except for immediate pick-up and drop-off only.

To ensure the safety of our students, public road users and the smooth movement of vehicles, buses and other motorists along AMK Ave 8, we seek your cooperation to park your vehicles at the neighbourhood HDB carpark opposite the school's main gate at AMK Street 32, while waiting for your child/ward if you are early.

We are re-sharing the joint advisory from LTA and TGPS together with the letter, and we seek your understanding and cooperation on this matter.

Yours sincerely,

Mr. Wong Jia Wang
Principal

Dear Parents / Guardians,

ROAD SAFETY ADVISORY

In 2021, Land Transport Authority and the school have received feedback on vehicles parking/waiting indiscriminately outside the school during the prone reporting and dismissal hours.

As the new school term in January 2022 has commenced, we would like to inform as well as to remind parents/guardians on the parking/waiting regulations around the vicinity of the school, along Ang Mo Kio Avenue 8 and Ang Mo Kio Street 32. Please be reminded that LTA will not allow any vehicles to wait/park along the above mentioned roads.

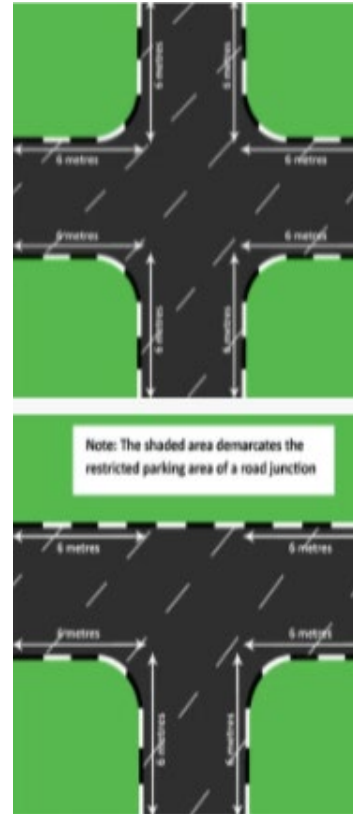

While we understand the need of parents/guardians to pick up their children, such inconsiderate parking causes inconveniences, obstruction to traffic and safety concerns. The waiting/parking vehicles are observed to be causing disruptions to other vehicles along the roads. This affects not only other road users along these roads but the movement of our school children as well.

LTA will not hesitate to take enforcement actions against errant road users who flout traffic rules and regulations. Offenders are liable to face the following penalties:

- a. Parking Along Unbroken Double Yellow Lines and 6m Junctions: \$70 (for light vehicles) or \$100 (for heavy vehicles).
- b. Parking Along Unbroken Double Yellow Lines and 6m Junctions: \$110 (for light vehicles) or \$150 (for heavy vehicles).

(Double Yellow Lines)

(6m Junctions)

Motorists are advised to adopt the following road safety tips while travelling within the school zone vicinity:

- a) Be mindful of pedestrians crossing from the road to assess the school gate
- b) **If there is a need to wait, parents/guardians are advised to park at the open-carpark at AMK Street 32 or any nearby HDB's neighbourhood carparks.**

We seek your assistance to play your part to ensure the safety of our students, as well as all road users. Thank you for your continued support and cooperation. Road safety is a shared responsibility. Be considerate and stay safe.

Thank You.

Land Transport Authority & Teck Ghee Primary School
