Through the Principal

Dear Parents/Guardians,

## Assessment for Primary 4

Types	Term 1	Term 2	Term 3	Term 4	Total
AoL	Timed Practice (non-weighted)	Mid-Year Examination (30%)	Nil	End-of-Year Examination (70%)	100%
AfL	Formative				

To better enjoy the process of learning and develop dispositions for lifelong learning, our school is creating a balance between Assessment of Learning (AoL) and Assessment for learning (AfL). We have created more time and space to deepen their learning by only having weighted assessments (WA) and end-of-year (EYE) examinations.

Formative assessments are assessments for learning which are carried out to help them achieve the learning goals and for the teacher to adjust teaching and learning activities. They include on-going practices and strategies used in class such as making explicit learning targets, descriptive feedback and self-and peer assessments. These are done through worksheets and classroom activities.

We will continue to ensure that there is rigour in what our children learn, and at the same time ensure that there is joy in learning.

## Term 1 P4 Timed Practice

Covid-19 has brought about some disruptions to the teaching and learning for our pupils. To help our P4 pupils transit smoothly to the rigour and demands, we will be conducting a **non-weighted** timed practice exercise from 3 March to 9 March 2022. Please refer to the attachment for the Timed Practice schedule.

Yours sincerely,

Instructional Programme KPs
