Types	Term 1	Term 2	Term 3	Term 4
AoL	CA (100%)	MYE (100%)	PRELIM (100%)	PSLE (100%)
AfL	Formative			

Formative assessments are assessments for learning which are carried out to help them achieve the learning goals and for the teacher to adjust teaching and learning activities. They include on-going practices and strategies used in class such as making explicit learning targets, descriptive feedback and self-and peer assessments. These are done through worksheets and classroom activities.

We will continue to ensure that there is rigour in what our children learn, and at the same time ensure that there is joy in learning.

Term 1 P6 Continual Assessment (CA)

P6 CA will be held from 3 March to 9 March 2022. Please refer to the attachment for the CA schedule.

Yours sincerely,
