

Teck Ghee Primary School

Nurturing 20morrow's Leaders, Today

REF: TGPSPL_2022_53

29 June 2022

Dear Parents/ Guardians,

Welcome Back to Term 3

1. TG20

2022 is a milestone year for us as we will be celebrating our 20th Anniversary (TG20). The theme for TG20 is "Learn, Dream and Inspire". Through the year-long anniversary celebration, we hope to share this joy in all our students, staff and stakeholders by:

- **Learning** about our journey thus far and creating positive memories together,
- Sharing our **Dreams** and hopes for TGPS,
- Being a star and light to **Inspire** ourselves and others.

We are planning to end the year on a high-note with the school coming together to cap our year-long celebrations, and we will keep you informed in due course. At the meantime, do follow our social media platforms to stay tuned to the various school events and activities.

2. Updates on SMM in School

In line with the national posture towards COVID-19 Safe Management Measures (SMM), our current school SMM will remain unchanged. We will remind our students on the expected socially responsible habits to ensure that activities are carried out in a safe manner. We would appreciate if you could also encourage your child/ward to continue the following good habits.

b) Mask wearing

- Remain mask-on at all times except:
 - i. When participating in specific mask-off activities
 - ii. If there are pertinent medical conditions
 - iii. When eating and drinking
- Minimise talking when eating/drinking

c) Personal hygiene and social responsibilities

- Personal Hygiene – Continue practicing good personal hygiene habits (e.g. hand-washing, wipe-down routines)
- Social Responsibility - Students should be socially responsible. Those who are unwell should stay at home and seek medical treatment if necessary.

Nurturing 20morrow's Leaders, Today

3. Reminder: Road Safety & Traffic Regulations

Please be reminded that no parking is allowed, except for immediate pick-up and drop-off, along the stretch of road around the school which is marked with parallel continuous yellow lines.

We would like to seek parents/guardians continuous co-operation to park your vehicles at nearby neighbourhood carparks while waiting for your child/ward if you are early.

4. School Canteen Food Prices

As part of our emphasis on active and healthy living, healthy eating habits are shared with students in their Physical Health & Fitness lessons. We are therefore also mindful that our school canteen continues to offer healthy food choices that are reasonably priced.

However, with the rising costs due to inflation and supply disruptions worldwide, school canteen stallholders are similarly facing these challenges, especially with costlier ingredients for healthy meals. Canteen food prices would invariably need to reflect the underlying cost of food items in order for stallholders to sustain their business.

Currently, we are trying our best to maintain the food prices while ensuring that healthy food choices can continue to be offered. But we are monitoring the situation closely and we will update you again should there be a need to revise the canteen food prices. We seek your understanding on this and we would like to assure that meal subsidies will continue to be provided for students who are on financial assistance.

5. Semester 2 Calendar of Events

Please refer to the ANNEX for details.

If you need any clarifications, please contact us at 6454 8769.

Thank you and stay safe.

Yours sincerely,

Mr. Wong Jia Wang
Principal
