

Dear Parent / Guardian,

Online Consent for Immunisation and Dental Services

To support your child's wellbeing, the Health Promotion Board provides **free** health services, such as screening, immunisation, dental checks and basic dental treatments (if required), at specified times during school hours in schools.

Parents must give their consent before their children can receive such services.

To make it more convenient and secure, we have launched the Child Consent Portal since 2016 for you to submit your consent online. It only takes four steps:

1. Log on to <https://childconsent.hpb.gov.sg> **OR** scan the QR code below to access the Child Consent Portal **from 22 Dec 2019**.

2. Login using your SingPass with 2-factor authentication (2FA).
(You may register for SingPass by visiting <https://www.singpass.gov.sg> **OR** any SingPass counter. The location of SingPass counters and instructions for 2FA activation are available on <https://www.singpass.gov.sg>)
3. Type in your child's BC / FIN number.
4. Fill up and submit the consent form.

HPB receives enrolment information progressively from 21 Dec 2019 in batches. Should you be prompted at step 3 that HPB has not received your child's / ward's enrolment information, please provide us your email address via the portal. You will be notified via email once HPB receives your child's / ward's enrolment information.

Please submit your consent online by **15 March 2020**. You may contact the school dental staff should you require a hard copy of the form instead.

If the School Health Team is visiting the school in January or early February 2020, please submit the consent online upon receiving the School Health Service Information booklet (Health Check and Immunisation for Primary 1 Pupils).

Thank you.

Wishing you and your family good health,

Dr. K Vijaya
